Come learn how FIBA and your fellow local independent business owners can help your business to succeed. Find out about some of the opportunities FIBA already has in place and learn about our plans for the future (heck, you can even help to shape those plans). We'll also be talking about the upcoming "Celebrate Your Independents" week and how to you can get involved.

The meeting will start with a social hour including complementary food and drink, followed by the presentation. A door prize will also be offered.

The meeting is free and open to all local independent business owners as well as anyone interested in helping these businesses prosper.

**P.O. Box 96  
Flagstaff, AZ 86002**
