Learn from fellow business owners as we explore the inner-workings of a locally owned, independent business. For our inaugural event, Ed and Brandy Wojciak of **Brandy's Restaurant** will showcase their successful business, which has been operating since 1993. Participants will be able interact with the owners, as well as analyze and provide feedback on possible business improvements for this highly-acclaimed restaurant.

### 5:30 – 7 p.m.

### Monday, June 25, 2007

### @ Brandy's Restaurant

(In the Cedar-Safeway Plaza – 1500 E. Cedar Avenue, East Flagstaff)

Complimentary refreshments provided.

*FIBA is a voluntary, cooperative effort of independent, local businesses who use education, networking, non-political advocacy and citizen involvement to help our community prosper and contribute to a diverse, healthy and stable economy.*
